💡 Pro Tips for Etsy Sellers:

- ✓ **Use Keywords in the First Two Lines** → Etsy search preview shows only the first 1-2 lines, so include **main keywords** early.
- ✓ **Make It Skimmable** → Use bullet points, spacing, and emojis to make the text easy to read.
- ✓ **Add a Strong Call-to-Action (CTA)** → *"Click 'Add to Cart' Now!"*
- ✓ **Personalization Upsell** → Always mention **customization options**, as personalized products sell 2-3x more!
- ✓ **Social Proof** → Adding a customer review **boosts trust** and **encourages conversions**.
